Dear Graduates,

Congratulations on your graduation from Erasmus Hall High School. I hope that your years at Erasmus have been happy, productive ones. Our beautiful campus, our landmark academy building, our unique chapel and library along with all the friendships you have made among your fellow students and teachers should provide you with fond memories many years from today. Last years Erasmus Gymnastic team led by Capt. Peter Austin finished in third place in the tough Brooklyn division. This years team is promising, due to the return of many young gymnasts, including Kirk Phang and Frank Deceus. Co-Capt. Kersey Jannestal's strong pommel horse work and clutch vaulting will help this years team also. Erasmus is proud of Peter Austin who earned recognition for placing tenth in the city-wide competition. GOOD LUCK also to graduating seniors, Donald Williams and Julian Blackburn.

BOWLING TEAM DIVISION TITLE

The Boy's Bowling Team finished the season with an undefeated record (12-0) to become the Brooklyn Division II Champions. The team was led by seniors Dwayne Taylor and Eric Boyce, and juniors Derrick Griffin and Lenny Benjamin. Lenny had a high average of 165 for the season. All four bowlers qualified for the Individual Championship Tournament.

GIRLS' BOWLING

Although comprised basically of beginners we were competitive in our division. There was a marked improvement from the beginning of our season. One of our girls, Kim Miles, qualified for the City Individual Championship on the basis of her 165 average during the season. My compliments go to the girls on the team for their dedication and good character, which made being their coach a satisfying experience.

SOCCER

The 1982 soccer season for the Dutchmen was one of the most successful seasons of the past few years. The team finished with a record of 6 wins, 2 losses and 2 ties during the regular season which was good for 14 total points and a strong second place finish in the solidly competitive Brooklyn East "A" Division. The Dutchmen roared into the playoffs with a 4 to 1 victory over the Brooklyn West "A" champions, John Jay, in the first round, only to sustain a heart breaking loss to semi-finalist Wingate 2 to 1 in one of the toughest and hardest high school quarter-final soccer matches in the recent memory in the PSAL.

This was a team that scored 16 goals and permitted only 6 during the regular season while scoring 5 more goals and allowing but 3 during the playoffs. The high scorer for this year's team was Co-Captain "striker" Gregory Smith who booted home 9 goals including a "hat trick" against Bushwick. Other goal scorers were right wing Hugh "Shorty" Douglas with 2 goals, left wing Chris "Ital" McIntyre with 2 goals, Junior inside right Jerry Jean-Baptiste who hit the cords for 2 scores late in the season when injuries started to take their toll, and midfielder Anthony Brown who also drove home 2 goals. Although he only scored 1 goal, versatile forward and midfielder Vernard Desil was the catalyst which made the Dutchmen offense go. It was his long runs, crisp passes and all-around intelligent play which created many opportunities to score. In fact, he assisted on 75% of all the goals scored by continuous play during the season.

The middle of the superb Erasmus defense, one of the toughest in the league, was anchored by Co-Captain Robert "Natty" Young, who also scored a goal during the season, and "sweeper" Kurt Trotman whose big left leg cleared anything that got by the backs. The wings on defense were handled very capably by Derrick Beresford and Carlos Bancroft with Richard "Big John" Henry a solid replacement when he was needed. In goal Sophomore Reginald Lubin posted 6 shutouts and 3 one-goal matches during the 10 match season, a great fear for any goalie let alone a first year varsity player.

Overall with the nucleus of this year's team returning in 1983, all eyes will be on the Dutchmen's charge to the city championship.

BASEBALL TEAM

The 1983 Erasmus Hall Baseball Team will have many new faces. Although it is common knowledge that optimism reigns in the Spring, the team believes that this year it is well founded. Returning as veterans are Vincent Villereal, Darius Sickles, Miguel Mendez, Leonard Benjamin, Carlos De-Souza and Danilo Hughes. Acting as a nucleus they will spur our younger members on. Among the new players are Vernon Villereal, Robert Stone, Vincent Ferguson, Jose Moralee, Derrick Soto and Tony Smith.

GIRLS VOLLEYBALL

The Erasmus Hall Volleyball team's 4-4 finishing record was more than anyone could ever expect from a team with nine count'em rookies, but they played with the heart and soul of winners and achieved what they deserved.

Leading the team were returning seniors Sonya Marshall and Evelyn Jean Valme who took it upon themselves to help the new people in developing their feel for the game. Captain Nancy Gerard was still trying to find the proper way to serve and instead found the correct way to hustle for the ball on all parts of the court.

The surprises were topped off by senior Sabrina Knight who never knew that she could play volleyball until she enrolled in the girls' sports class last spring. She liked it and was our spark-plug of the back line. Junior Carol Wills, who sat on the bench all of last season without a uniform showed herself and the entire team that hard work can pay off by becoming the team's leading setter.

Last but not least were the additions of Kham Chea and Dounangchan Vongkhoun whose consistant serving and passing contributed highly to the .500 season.

Lisia Trigueno, Marjorie Celestin, Ramona Singh, Wendy Gittens, Darcine Denny, and Natalie Leiba should return in '83 and with the experience they gained this year, should help make the Dutchmen a successful team.

Thanks, as always, to James, Ella, Sonny, and Mr. "D".

STUDENT GOVERNMENT

Fellow Graduates,

It is with great sadness that I say goodbye to Erasmus Hall and everyone who has helped make being here so enjoyable. During my four years in this special place, I've learned many things that cannot be found in any textbook, most importantly, the meaning of true friendship and comradery among performers.

I leave Erasmus Hall wishing you all the greatest success in whatever you attempt.

"83 BELONGS TO US"

Sincerely,
Elaine E. Turner

THE ERASMUS FOR EXCELLENCE PROGRAM IS KNOWN BY ITS MEMBERS AS EE. IT WAS STARTED IN 1979 BY MS. KAPLAN.

EE WAS STARTED TO GIVE STUDENTS A GOOD COLLEGE-BOUND PROGRAM. MANY STUDENTS WERE GOING TO OTHER SCHOOLS INSTEAD OF COMING TO ERASMUS TO TAKE THESE CLASSES.

THE EE PROGRAM IS FOR STUDENTS WITH OUTSTANDING ACADEMIC ABILITY. THESE STUDENTS ARE TAKING REGENTS CLASSES AND ARE ALSO ALLOWED TO TAKE ELECTIVES. THE EE PROGRAM OFFERS AN ALL HONORS BLOCK. THERE ARE ALSO SOME ADVANCED PLACEMENT COURSES, AND PROGRAMMED PREP CLASSES FOR PSAT AND SAT EXAMS. THESE EXAMS ARE USED BY COLLEGES TO ACCEPT OR REJECT YOU.

THE EE PROGRAM REALLY PREPARES STUDENTS FOR COLLEGE. MANY OF THE STUDENTS WHO GRADUATED FROM THE PROGRAM WERE ACCEPTED BY TOP COLLEGES, SUCH AS HARVARD AND COLUMBIA.

CONGRATULATIONS to

Lyndon A. Walker on winning the Westinghouse Science Talent Search Award.

The Caribbean Club is new this year. In Erasmus Hall High School the student body consists of many different nationalities and backgrounds. Each of these nationalities has something to offer the other ones. So we decided to form a Caribbean Club that would enable the students to come together and have a chance to contribute something of ourselves.

Any nationality is welcome to the Caribbean Club; there are no exclusions. Each island in the Caribbean, although similar in some ways, has differences in background and experiences to share with others. The Caribbean Club aims to make people proud of their country and their heritage.

One of the club's goals is to give students a chance to show what cultural background they have descended from, using different techniques such as speeches, dances, plays, etc. Hopefully this will help all of us understand, and live better with each other; which draws us to our Caribbean Club motto —

"ONE LOVE"

In Erasmus Hall High School another chorus has started. It is called, "The Academy of the Arts-Gospel Chorus." The two musicians of the chorus are John McNeil and Gregory Mitchell. Both have worked very hard. I interviewed Gregory Mitchell and asked him how he felt about the chorus. He said, "It has the potential to be a fine Gospel Chorus, to spread the Gospel in song." He added, "We are learning how to apply the word to our daily living." I also interviewed John McNeil. He said, "In due time we will be top rate."

Erica Conroy was interviewed. She said, "We are a young choir with a great future, and it takes a lot of patience, love, and devotion to make it greater. The choir has the potential to do it." Erasmus Hall Academy of the Arts Gospel Chorus has appeared at Ber-ean Baptist Church, Brooklyn Tech High School, Mt. Calvary Baptist Church, and several other places.

"**Erasmatazz** was a project of students here who asked, "Why doesn't the school have a newspaper?" Mr. Cappuccio, journalism teacher and advisor of **Erasmatazz** spoke frankly about the program recently.

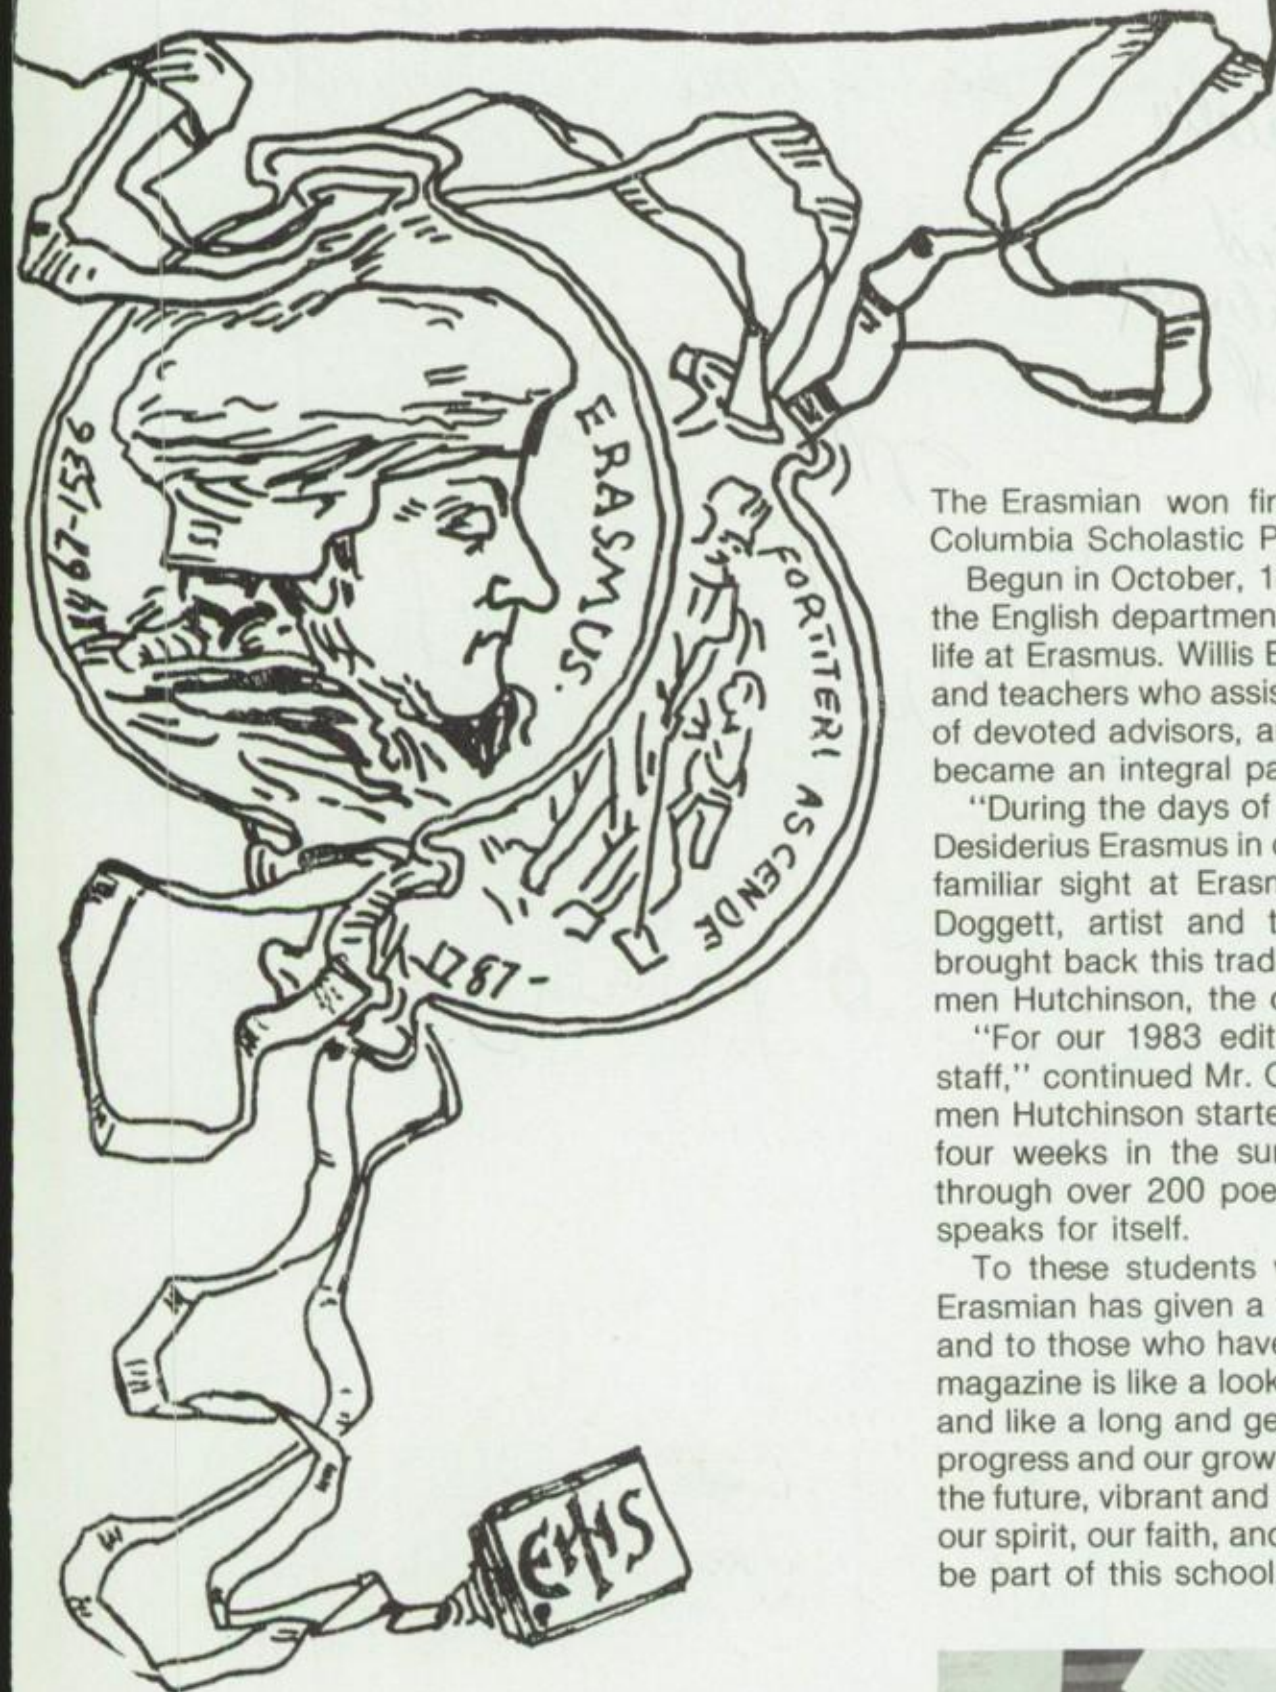

"Two and a half years ago there was no newspaper. Because **The Erasmian** was threatened with extinction, students joined together to form a class in journalism and published a small **Erasmus Hall News Magazine**. We held a contest to rename it and **Erasmatazz** was born."

Although only two and a half years old, **Erasmatazz** had grown in circulation from 500 copies to 3,500. "Mr. Saretsky the principal, has been particularly benevolent in sponsoring the work of good student writing," was the sentiment expressed by several members of the staff.

"In news writing it's impossible to be objective- but it is possible to be fair," continued Mr. Cappuccio. "We've had to cover a number of controversial topics- captive lunch, student searches, homosexuality among the student body, and I think the level of writing has always been professional."

"We try to cover subjects of high student interest, as well as show career opportunities in journalism. With the help of a dedicated staff-Carmen Hutchinson, Ann Marie Nembhard, Doriel Larrier, Richi Holt, Donna and Dean Lofters and Tyrone Darby, I think we have a good, honest product."

ERASMIAN

When the cornerstone of the Flatbush side of Erasmus Hall was laid, one of the items left underneath was a copy of the Erasmian.

"I think what Willis Earle, the teacher who started the magazine in 1898 was trying to say was that the school was to build on the tradition of excellence in writing he began," commented Mr. Cappuccio (Faculty Advisor, Publications). "Eighty-six years later we still publish first quality student writing and are proud of the recognition we bring to the school." The 1982 edition of

The Erasmian won first place in the nation-wide rating of the Columbia Scholastic Press Association.

Begun in October, 1898, under the direction and the support of the English department, The Erasmian has mirrored the changing life at Erasmus. Willis Earle, won the respect of the staff members and teachers who assisted him. The Erasmian, nurtured by a chain of devoted advisors, and guided by the spirit of Willis Earle, soon became an integral part of the life of Erasmus Hall.

"During the days of Willis Earle a single cover with an image of Desiderius Erasmus in our traditional colours of buff and blue was a familiar sight at Erasmus. This cover was the work of Allen B. Doggett, artist and teacher. "For our eighty-fifth volume we brought back this tradition by using the cover again," stated Carmen Hutchinson, the current editor-in-chief.

"For our 1983 edition we have had a particularly dedicated staff," continued Mr. Cappuccio. "Ann Marie Nembhard and Carmen Hutchinson started editing the magazine last July. We spent four weeks in the summer making policy decisions and sifting through over 200 poems that were submitted. The final product speaks for itself.

To these students who have helped create it each year, the Erasmian has given a feeling of satisfaction and accomplishment, and to those who have read it, a feeling of enjoyment. To all, the magazine is like a looking glass in which our images are reflected, and like a long and gently winding road along which we trace our progress and our growth. It is the voice of the past the present, and the future, vibrant and strong throughout the years. It is a symbol of our spirit, our faith, and goals, uniting us all and making us proud to be part of this school, Erasmus Hall.

To Cookie
Being the person I am and
knowing the amount of girls I
know, I never thought I'd let
a girl have my heart, but you have
and the funny thing is you don't
even know it. I care about you
maybe some day you'll
see it my way. But if you don't
I still wish you the best of luck!
Love ALWAYS,
Tom
